The Alameda County Guaranteed Ride Home Program

When unexpected circumstances arise, the Alameda County Guaranteed Ride Home (GRH) Program provides a free ride home from work for employees who choose to commute by not driving alone. The GRH program is free for employees who register for the program, work in Alameda County, and use sustainable forms of transportation including walking, biking, taking transit, or ridesharing. When a registered employee uses a sustainable mode to travel to work and experiences a personal or family emergency while at work, they can take a taxi, Transportation Network Company (TNC) service such as Lyft or Uber, rental car, car share, or public transportation ride home and be reimbursed for the cost of the ride.

This program allows commuters to feel comfortable taking the bus, train or ferry, carpooling, vanpooling, walking, or bicycling to work, knowing that they will have a ride home in case of an emergency.

The Guaranteed Ride Home Program helps to reduce traffic and improve air quality in the Bay Area by encouraging commuters to leave their car behind for their commute to work.

The Alameda County GRH program is a commuter benefit provided by the Alameda County Transportation Commission (Alameda CTC). The Alameda CTC plans, funds, and delivers transportation projects and programs to improve accessibility and mobility in Alameda County. Funding for the Alameda County GRH program is provided by the Bay Area Air Quality Management District through a Transportation Fund for Clean Air grant in partnership with the Alameda CTC. Program Basics

WHO IS ELIGIBLE TO PARTICIPATE?

All permanent part-time or full-time employees 18 years of age or older who work in Alameda County are eligible to participate.

WHEN CAN I TAKE A GUARANTEED RIDE HOME?

People who work in Alameda County and are registered for GRH may request reimbursement for eligible expenses if they take a trip home in a qualified emergency situation and have used an alternative mode that day.

The following circumstances are considered **qualifying emergency situations** in the GRH program and **must occur on the date of the GRH trip**:

- Participant or an immediate family member suffers an illness, injury, or severe crisis.
- Participant is asked by supervisor to work unscheduled overtime, which causes participant to miss planned ride home. Supervisor verification will be required as part of reimbursement request.
- Participant's carpool or vanpool vehicle breaks down or the driver has to leave early or late.
- Participant's transit-connection shuttle breaks down and no other shuttle options are available.*

* These emergency situations are only eligible for rides to transit stops or stations where transit-connection shuttles typically connect.

GUARANTEED RIDE HOME IS FOR UNEXPECTED EMERGENCIES ONLY

There are numerous common circumstances where trips **cannot** be reimbursed through the GRH program. These include:

- Transit labor disputes (strikes), transit delays or breakdowns, or government shutdowns †
- Pre-planned medical or dental appointments for participants or commute vehicle driver

† This rule applies to all public transit agencies that operate within Alameda County, including: BART, AC Transit, Capital Corridor (Amtrak), ACE, Wheels (LAVTA), Union City Transit, San Francisco Bay Ferry (WETA), WestCAT, VTA, TriDelta, and County Connection.

- Participant has a break-in, flood, or fire at residence.
- Participant's commute bicycle breaks down on the way to or from work and cannot be repaired at participant's work site.

In addition, participants must have **used an alternative mode on the day they take the ride** for which they will seek reimbursement through the GRH program. Eligible alternative commute modes include:

- Public transportation including: BART, AC Transit, ACE, Wheels, Union City Transit, ferry (WETA) and Amtrak
- Employer-provided shuttle or van service
- Carpool or Vanpool
- Bicycle
- Walk

WHAT SERVICES CAN BE REIMBURSED?

- Taxis
- Transportation Network Company (TNC) services such as Lyft or Uber
- One-day car rentals
- Car share (Zipcar or City CarShare)
- Public transportation (including BART, AC Transit, ACE, and others). Commute Choices provides a list of locally available public transportation options. It is available at: grh.alamedactc.org/commute-choices

- Ambulance service

In occasions when there are questions about eligibility, a program participant may call the GRH Hotline (510-433-0320) or send an email (ridehome@alamedactc.org) and obtain a decision from available staff.

Emergency-related stops on your way home are permissible. Permissible emergency-related stops could include picking up a child at school or daycare, filling a prescription at a pharmacy, or stopping at an ATM for cash to pay a taxi driver.

Program Registration

Registration in the GRH program is required **before** taking a reimbursement-eligible ride. If an individual submits a request for reimbursement before he or she is registered in the program, that reimbursement cannot be honored. Participants may be asked to re-register or update their contact information periodically.

The registration process includes two steps:

COMPLETE A PARTICIPANT INFORMATION FORM

There are two methods for registering with the GRH Program:

■ Online via the website: grh.alamedactc.org

Individuals can register for the GRH program via the program website. Both the participant information form and waiver are available online and require less than five minutes to complete.

■ United States Postal Service

If a program participant does not have easy access to the internet, hard copy registration forms are available upon request. These materials are available for download on our website, or can be requested via the GRH Hotline, 510-433-0320.

Program registrants can return these materials to:

In order to participate in the Alameda County Guaranteed Ride Home program, participants must sign a waiver (available in online registration) accepting the risks of the program and acknowledging that the Alameda CTC or the program vendor (Nelson\Nygaard) are not liable for any damage that may occur due to rides taken via the program.

COMPLETED REGISTRATION

Successfully registering in the program enables individuals to be **eligible** for reimbursement under the rules of the GRH program. Actual reimbursement for a GRH ride can only occur after a reimbursement request form is completed, submitted to the GRH Program online or by mail, and approved by the GRH Program Administrator or authorized staff.
